GOING TO PORTO RICO

W. J. Lowrie to Run a Plantation There.

SALARY TWENTY THOUSAND A YEAR

Other Maui People to Work for Him—Judge Kalua's Court.

MAUI, June 7.—Porto Rico will soon have a Maui colony placed within its borders, and for that reason Maui folks will hereafter possess a much keener interest in Porto Rican affairs. Three Maui families will in a short time be settled there and it is reported that other residents of Spreckelsville will soon depart for the West Indian isle. The well-known millionaires, Messrs. Havermeier and Searle, by combining several small plantations, are establishing a mammoth sugar estate comprising 17,000 acres. This property is situated near Ponce and is to be managed by W. J. Lowrie, who is to receive a salary, so it is reported, of \$20,000 a year. Mr. Lowrie will be a superintending manager, a position somewhat superior to the ordinary manager. The roads of Porto Rico are so excellent that the Ponce plantation can be traversed by an automobile. Three miles of a larger combined capacity than the one at Puanene are soon to be erected.

By last Saturday's steamer, Walter A. Lowrie (Mr. W. J. Lowrie's son) left Maui en route for Porto Rico to take the position of sugar boiler. In another week Mr. and Mrs. William Coffee and family of Puanene will depart for the West Indies. Mr. Coffee has accepted an engineer's position. It is rumored that other employees of the H. C. & S. Co.'s plantation, who were under Mr. Lowrie while he was manager of Spreckelsville, will soon resign and depart for Ponce.

JUNE TERM OF COURT.

On Wednesday, the 4th, the June term of the Second Circuit Court began at Wailuku, the court house being crowded to the doors with spectators and those interested in the different cases about to be tried. Hon. J. W. Kalua presided and the following court officials from Honolulu were present: D. H. Case, deputy Attorney General; P. McMahon, stenographer; W. J. Coelho, Hawaiian interpreter, and Attorneys J. M. Kaneakua, Enoch Johnson, Watson, A. G. Correa and J. A. Magoon. A good part of Wednesday was taken up in the examination of the long calendar, and since then the grand and trial juries have been busy. There was some talk of the grand jury visiting Molokai per Lehua, for the purpose of investigating the death of a resident of the settlement in the Kalaupapa jail. The project, however, was given up. The grand jury will probably complete its duties today, the 7th. The petty jury has not as yet finished one case, that of Hiramoto vs. Pioneer Mill Co., Ltd. The town is full of people and the weather very warm.

BASEBALL TEAM ARRIVES.

By the Kinau this morning the Hilo baseball nine arrived at Maalea bay and were received and escorted to Wailuku by a reception committee of five, Messrs. Cornwell, Coke, Schrader, Cummings and Jackson, appointed by the Maui Athletic Association. The Hilo boys brought no substitutes with them and will not play any match games until Kamehameha day.

At Wells' Park during the afternoon of the 1st, the Puanenes easily vanquished the Maui Alerts at baseball by a score of 27 to 13. The Alerts, who made a brave showing with the Morning Stars, would have played a much better game could they have had the services of their regular pitcher, Dr. H. L. Boote, who was too ill to play. During the first inning the Puanenes piled up a record of ten runs and virtually won the contest. Messrs. L. R. Crook and David Kulkahl, who acted as pitchers for the Alerts, are skillful and veteran ball tossers, but were out of practice.

STRAYS.

Deer are becoming scarce on Molokai owing to the employment of professional hunters to exterminate them.

The American Sugar Co.'s ranch on Molokai, which is situated mauka of Kaunakakai, is stocked with 20,000 sheep and 4000 or 5000 cattle.

E. S. Armstrong of Pala now has charge of the sugar boiling at Puanene. At least he will take off the present crop. H. F. Engle is now sugar-boiler-in-chief at Pala.

During Monday, the 2nd, the Government appraisers, Messrs. W. O. Aiken and John Kaluna, were in Kula fixing value on lands at Pulehunu.

The wireless telegraph to Maui has been in running order for two or three weeks past.

W. E. Beckwith of Waiakoa, Kola, has charge of the sale of 600 acres of the Kanonoulu ranch belonging to Gear, Lansing & Co. Bids on these lands may be filed until the 13th.

Mrs. F. A. Potter returns to Honolulu today, after several weeks' visit with Mrs. H. A. Baldwin of Hamakua.

The operetta, "The Barber of Bath," will be repeated by the Makawao Literary Society at the residence of J. J. Hair, Hamakua, some evening during the last part of the month.

The cane of the Maui Sugar Co., now being ground, is not making a good showing in regard to saccharine matter.

A brilliant afterglow was seen during the evening of the 2nd. Weather—A strong Kona wind during Tuesday and Wednesday. Very warm and still since then.

When You Call and Leave a Card . . .

and that card is shoddy, one you should be ashamed of:

WHAT IMPRESSION do you leave behind?

You say you don't care; yes, but you should care.

You cannot afford to be careless about the kind of card you use; it does make a difference, whether you believe it or not.

Besides, there's no excuse for using the wrong kind; as the right kind, barring the first cost of the engraving costs no more than the wrong. We have two presses constantly going, doing nothing but turning out the RIGHT kind of card, the kind that will not be criticised.

You will have no reason to be ashamed or fear criticism if your cards are made by us.

THE RESULT.

A sitter can not be posed in a moment. To secure good pictures one must take time to study the moods of the sitter and give him the opportunity to become at ease.

We pursue this course and the result justifies the time and patience used.
